

Part Time Animal Care Staff

Join the dynamic staff at the Schiele Museum of Natural History in Gastonia, NC for a rewarding job!

Staff are needed as animal caretakers as part of the Schiele Museum's education program. Pay varies by position between \$9-12 an hour. Position description is below and resumes are accepted on a rotating basis.

Description: Typical activities of this position include all aspects of animal care, including enrichment, diet prep, training, and cleaning. Previous experience preferred but not required. The Schiele Museum boasts over 40 species of animals including opossum, mink, bobwhite quail, eastern screech owl, copperhead, goats, alpacas, rabbits, pot belly pigs, etc. Position occasionally includes presenting education programs to large groups of guests and varying age ranges. Work schedule includes weekdays and/or weekends including holidays.

To learn more about The Schiele Museum, information can be found on our website at SchieleMuseum.org and on our social media pages.

To apply, please email a resume and cover letter to:

Lillie Reiter, Live Animal Manager, at lillier@cityofgastonia.com.
